

Join Ulysses S. Grant National Historic Site for

NATIONAL JUNIOR RANGER DAY

It's the 100th anniversary of the National Park Service and we encourage children and their families to #FindYourPark this year. Families can start by exploring the park in their own backyard and learning about other parks across the country.

Children will have the opportunity to take part in a variety of hands-on activities as they find their parks. They can also earn a commemorative Junior Ranger badge in celebration of the National Park Service's centennial. Activities are free. All children must be accompanied by an adult. For groups of 10 or more, please call 314-842-3298 to make a reservation.
